had been impressed with the good work done by the Hakim and the present Report from the President goes to show that he has maintained his reputation as a Municipal physician. Please see office note dated 16.5.02 in G.F. file 128-92.

It is stated that the monthly grant of Rs 10/- sanctioned to the Hakim vide G.O. no: 1513-4 dated 24.7.02 on the Senior Surgeon's recommendation G.F. 7128-92 has not till now been availed of by him as being too inadequate & hence the Municipal Board's proposal to give him an increased grant.

The extra grant is proposed by the President from the 1st Dec'08 and it is suggested that charge amounting to Rs 180/- for the current year may be met from the closing balance at the credit of the Tenkasi municipality. This proposal is not financially advisable according to the financial rules and so an additional budget grant will have to be sanctioned, unless the President can suggest a reappropriation of funds in the current year's budget. The President, it may be noted, states that since the introduction of tolls, the income of the municipality is on the increase & an addl

Sir,

I have the honor to forward herewith for favour of orders, an extract from Para. 5. of the Proceedings of the Meeting of the Members of the Tumkur Town municipal Board held on the 28th. October 1908 proposing that a monthly allowance of Rs. 30/- may be paid to Mr. Gulam Mohamad Sahib, Hakim from the Tumkur town

town municipality for the support of a private Unani Dispensary maintained at his own cost in the Jumkur Town.

2. On the recommendation of the Board, Government in their order no: 1513-4 / L.7/129-92 dated 24th July 1902 were pleased to sanction a monthly allowance of Rs 10/- to the Hakim referred to. But it is stated that the Hakim did not claim the allowance at that rate as it was inadequate to meet the cost of the Dispensary. The Hakim is said to be successful and popular and the people are reported to have good faith in his treatment. As such he is deserving of the grant of the allowance at Rs 30/- per mensem as proposed by the Board.

3. Since the introduction of the tolls, the income of the Jumkur municipality is on the increase. The closing Balance at the credit of the municipality at the end of June 1908 amounts to Rs. 9068/-. The outlay

Outlay of Rs. 360/- per annum for this purpose will not be a heavy expenditure on the Board's revenue. The sum of Rs. 180/- required for this purpose during the current year with effect from 1st. December 1908 may be met from the estimated Closing Balance of Rs 8115/- in the current year's Budget of the Tumkur Town municipality without affecting the working balance.
